

MTB'S SHORT MOVING CHECKLIST

1. Initial Move Prep

- Start collecting estimates from moving companies - or just use MTB and have no regrets.
- Reserve elevators in apartment buildings (if applicable)
- Obtain parking permits for moving truck, if applicable
- Order boxes and moving supplies (MyTruckBuddyMoving.com/boxes)
- Begin purging your home. Separate items to keep, donate or discard
- Plan a garage sale or Craigslist moving sale
- Start using items that can't be moved - frozen foods, bleach, aerosols, etc.
- Begin packing

2. Change Addresses

- File a change of address with the Postal Service
- Change over utilities: Electric, water, gas, home phone, cell phone, Cable/Internet, Trash
- updater.com is awesome for helping you move. Go to updater.com/get-invited, and click on "Updater, ask on my behalf."

3. Last few days' prep

- Check in with your movers to go over any last-minute details
- Pack your Starter Box (MyTruckBuddyMoving.com/pack-starter-box)

4. Moving Day

- Have a copies of any moving company related documentation ready (Bills of Lading, emails, etc.)
- Prepare items for loading first on, last off
- Check every room and closet one last time to make sure nothing is left behind
- Leave a note for future residents so they can forward any stray mail
